

CUSTOM TRAILER MOUNTED VACUUM LOADER

GUZZLER® VACUUM LOADER

COMPACT TRAILER MOUNTED

FS Solutions combined technology and components from Vactor and Guzzler to create a compact vacuum loader that was highly maneuverable and capable of vacuuming materials from liquids and sludge's to very fine accumulated dust from around plant areas. The unit is self contained, towable and capable of dumping the collected material. It can be easily transported by a heavy-duty pickup truck.
